PETITIONING THE COURT

To modify the conditions of supervision as follows:

You shall contribute to the cost of treatment according to your ability. You shall allow full reciprocal disclosure between the supervising probation officer and treatment provider.
- 17 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

CAUSE

On September 5, 2008, Mr. Young was released from BOP custody and began his term of supervised release. On September 8, 2008, he reported to the probation office and met with the undersigned to review and discuss his conditions of supervision. A urinalysis sample was collected and tested presumptively positive for methamphetamine. After some hesitation, Mr. Young admitted to consuming methamphetamine on or about September 6, 2008.

The purpose of the above requested modification is to provide intermediate sanctions for Mr. Young's violation behavior, as well as to more closely monitor any future violation behavior. Mr. Young has agreed to the above modification and voluntarily signed the attached waiver after being advised he had the right to advice of counsel and a hearing before Your Honor.
